MAGNETIC SUPER BASE

Magnetic Super Base

Approved for Little League and meets rule 1.06 which mandates a release style base

Reduce risk of serious injury to sliding players with this unique base designed for all ages

Bases release when the magnetic attraction between the base and magnetic fixture are overcome by excessive force from a slide

3 different plate sizes that bolt to the bottom of the base pan to adjust the holding strength of the base to the anchor

Base cover has a ribbed surface design to reduce the risk of slipping

Durable rubber base cover and steel stanchion pan for excellent durability

Regulation size 15" x 15" x 3"

Designed to fit all female style ground anchors, not included

Includes base cover, stanchion pan, ground insert and 3 interchangeable plates

Bases designed to reduce sliding injuries are not a substitute for proper sliding techniques

(Please note, these are not sets.)
