### Magnetic Super Base
- Magnetic Super Base
- Approved for Little League and meets rule 1.06 which mandates a release style base
- Reduce risk of serious injury to sliding players with this unique base designed for all ages
- Bases release when the magnetic attraction between the base and magnetic fixture are overcome by excessive force from a slide
- 3 different plate sizes that bolt to the bottom of the base pan to adjust the holding strength of the base to the anchor
- Base cover has a ribbed surface design to reduce the risk of slipping
- Durable rubber base cover and steel stanchion pan for excellent durability
- Regulation size 15" x 15" x 3"
- Designed to fit all female style ground anchors, not included
- Includes base cover, stanchion pan, ground insert and 3 interchangeable plates
- Bases designed to reduce sliding injuries are not a substitute for proper sliding techniques
