MacGregor® Heavy-Duty Vinyl Bases

When your players are trying to hit for the cycle, these Heavy-Duty Vinyl Bases will hold up to every base runner. Hitters can slide into the bases without the fear of injury thanks to the soft, cushioned feel of the poly-foam inner core. Inclement conditions are no match for these bases, as the nylon-impregnated vinyl covers resist water and weather. Sure to stand up to rigorous play, the bases have inverted sewn corner seams and a double-thick top that will hold up from the first pitch all the way to the last out.

- Nylon-impregnated vinyl covers resist water and weather for play in the rain or shine
- Poly-foam inner core allows a soft, cushioned landing for runners
- Inverted sewn corner seams and a double-thick top stand up to extended use

MacGregor® Rubber Home Plate

Suitable for use on both baseball and softball diamonds, the MacGregor® Rubber Home Plate has black beveled edges to help reduce the chance of catching a cleat, so players can slide safely into the dish. Five included spikes secure the plate firmly into the dirt to make sure it stays put through all innings, and solid rubber construction withstands the rigors of long seasons and competitive play.

- Durable solid rubber construction can withstand seasons of rough play
- Black beveled edges ensure player safety by reducing the chance of players catching a cleat when they slide into home
- White base color is highly visible to help pitchers throw accurately and runners locate their destination
- Five spikes are included to secure the plate into the ground and to prevent it from sliding around during the game
- Official design can be used for baseball and softball games and practices
- Activity: Baseball/Softball
- Bases Included: Home plate
