**VIEW INSTALLATION INSTRUCTIONS**
STACKHOUSE LINERS
All Stackhouse four-wheel liners (except LPFP50) use a heavy duty, 20 gauge steel body with an attractive powder coated blue finish. The liner body has been designed so that its wedge shape ensures a constant flow of chalk to the bottom of the liner. Our liner gut, which is driven by the liner wheels, has an auger at each end that forces the chalk into a six-bar expulsion wheel which ensures a consistent flow of chalk. A fingertip control allows you to adjust the thickness of your line and control shut-off of chalk. The liners ride on rubber diamond-tread wheels that use steel hubs and bearings for minimum rolling resistance. The liners offer both a 2” and 4” line for baseball, football, and soccer fields. These features, combined with the 5 models we offer, allow you to pick the best liner for your purpose - within your budget.

#LR50 - Line Ranger 50
This heavy duty, 50 lb. capacity liner is ideal for lining multiple baseball fields. 10” pneumatic wheels give a smooth rolling ride for easy field lining. 2” to 4” line. Powder coated
Shipping: UPS 54 lbs. Ships Dimensional

LR50
$450

#LG50 - Genie 50
Our most popular liner! This 50-pound capacity liner rides on four 8” wheels. This liner is designed for the school on a budget and offers all the quality and durability of the bigger liners. Ideal for football and baseball fields. 2” to 4” line. Powder coated.
Shipping: UPS 58 lbs.

LG50
$295

ALL PRICES SUBJECT TO CHANGE & AVAILABILITY PLUS SHIPPING
#LTW25 - LTW-25 Liner

Our most popular baseball field liner! This economy-priced liner with its 25-pound capacity, 2" line, and fingertip shut-off and flow control has long been the favorite of baseball coaches. Its 25-pound capacity lets you line a baseball diamond with one filling of chalk. The LTW-25 rides on two 8" wheels and will give years of trouble-free service. Powder coated.

Shipping: UPS 25 lbs.

#LTW25 $145

#LRB200 - Roustabout 200

Every school needs this liner for line touch-ups and small jobs of baseball bases, track and field events, tennis, parking lots and physical education play fields. Rides on two 6" wheels and has 2" line. Paddles without augers. 200 yard capacity. Powder coated.

Shipping: UPS 12 lbs.

#LRB200 $105
Multiple Lane Dry Chalk Track Marker

Makes preparation for a meet a quick job! Two people can lay out a track in 30 minutes. Works on any track. When a curb is present every line will be uniformly accurate to the fraction of an inch. Set-up time for use or storage is five minutes. Each hopper can hold up to 25 lbs. and go 440 yards. Hoppers do not have a shut off, it’s free flowing once it starts moving, just adjust speed to obtain desired thickness.

Alumagoal 4-Wheel Line Markers w/ Pneumatic Tires

- Durable design with an 11-gauge steel frame, 18-gauge galvanized steel bucket and steel axle bushings
- Four 10" D pneumatic tires maneuver the marker across playing fields
- Two handles with grips offer a sturdy hold for pushing the marker
- Settings can be easily adjusted to switch between 2 in. dry lines and 4 in. dry lines

BBHDDM10—100# Capacity
BBHDDM50—50# Capacity

$325
$295

Alumagoal All-Steel Dry Line Marker 25lb.

- All-steel construction is strong and durable enough to withstand heavy use
- Can be used on football, baseball, lacrosse and soccer fields to make sidelines, end lines, goal lines and boundaries
- Hard rubber wheels easily navigate tough terrain to make even lines
- Handle lever allows simple line width adjustments from 2 in. to 4 in.
- 25 lb. capacity holds ample material for marking up entire fields without constantly refilling the marker

BBDLM252—25# Capacity

$150

Alumagoal 65 lb. Steel Dry Line Marker

- All-steel construction and rubber wheels hold up through seasons of use with 4 hard rubber wheels
- Rolling design is easy to move across each sports field, leaving dry lines to mark boundaries and goal areas
- Adjust between 2 in. and 4 in. lines by pulling the lever
- Marker can be pushed via the handle with grip for sure maneuvering
- 65 lb. capacity holds enough material to paint multiple lines across the field

BBDLM654—65# Capacity

$235

NEWLINER DRY LINE MARKERS
HEAVY DUTY (USA MADE)

The NewLiner™ Dry Line Markers are the original, American made infield chalkers. Designed for those who want the best, most durable field chalkers available they feature:

Rugged Construction – American Made – Galvanized loop handles with foam grips for comfort. Galvanized steel material containers to prevent rusting. 1/2 inch axles and drive shafts for strength. Large 10” pneumatic tires for easy pushing even over rough terrain. Don’t be fooled by the cheap, offshore copies.

Easy to use – Precision control for 2 inch or 4 inch lines. Frame has site window to allow view of layout string and chalk dispensing.

18 Month Limited Warranty – Longest in the industry.

Available in two sizes to fit your needs and budget:

50lb HD 4-Wheel – Our most popular model for strength, ease of use and reliable performance

100lb HD 4-Wheel – The most durable heavy-duty dry line field marker available. Over-sized foam rubber hand grips for increased operator comfort.

25lb 2-Wheel – Ideal for light duty and those on a tight budget needing a quality chalker. Two (2) 8 inch semi-pneumatic wheels. Oversized foam rubber hand grips for increased operator comfort.

50lb 3-Wheel – Ideal for those on a tight budget needing a quality, higher capacity chalker. The three wheel design with 8 inch semi-pneumatic wheels.
