**Deluxe 20' Telescoping Flagpole**

Deluxe Telescoping Flagpole Our Deluxe Telescoping Flagpole soars up to a full 20 feet tall in less than 10 seconds! Four sections "nest" inside each other. You can extend each of them easily, thanks to their low-friction, patented "no twist" system action. As you raise each section, they automatically "click" and lock securely into place.

Telescopes down to 7 feet for easy attachment of flags, portability, and storage.

Smooth, "low-friction" action means any adult can work the pole with ease.

Pole sections lock in place automatically when extended -- no need to twist or search for locking holes.

Child-resistant lockable collars prevent accidental telescoping of pole. 360-degree rotating collars with flag clips mean flags fly freely, without tangling. A double harness lets you fly two flags at once or one at half mast.

**Includes a FREE 3 ft. x 5 ft. nylon American Flag with embroidered stars!**

No hardware to bang noisily against the pole or scratch the finish. No ropes to rot, tangle, or bang in the wind.

Maintenance-free, super-strength 16-gauge aluminum won't rust, never needs painting. Diameter: Bottom 2-5/8", Top: 1-3/4". Clean, simple lines provide a professional appearance. Made in America.

Available in anodized aluminum, bronze anodized, or baked enamel white finishes.

Easily installed in a permanent ground sleeve (included). Simple instructions provided.

5-Year Limited Warranty backed by the prestigious Good Housekeeping Seal of Approval.

Specify color: Anodized Aluminum Finish, Bronze Anodized Finish, or Baked Enamel White Finish

**\$185**

**Deluxe 6' Wall-Mounted Flagpole Set**

Heavy duty aluminum pole won't rust. Stands up to wind and weather years after others have broken or bent. Made in America.

White baked enamel finish looks beautiful, never needs painting.

No ropes to snarl or hardware to clang against the pole. Flags fly freely without tangling.

Topped by an anodized Gold Ball.

Includes a 3 ft x 5 ft. fade-resistant nylon American Flag with embroidered stars.

Adjustable stop helps keep the flag taut.

Strong, clear polycarbonate collars with stainless steel flag clips allow easy rotation, to help flags wave freely without tangling.

Easily adjust the angle of the pole with a wing nut -- no tools required.

5-Year Limited Warranty backed by the prestigious Good Housekeeping Seal of Approval.
