Grand Slam Fencing™ One-piece Fencing Kits

FOR BASEBALL, SOFTBALL & LITTLE LEAGUE POPULAR FIELD SIZES/DESIGNS

Benefits:

- No gaps in fence
- Clean continuous look

Baseball & Men's Softball Kit
300' HR Distance

Softball & Little League Kit
200' HR Distance

Distance banner available as 200 or 300

Grand Slam Fencing™ Standard Length Kits

Benefits:

- Easier handling of smaller sections
- Can design with overlap/gap in sections for ball retrieval
- Design flexibility—can change outfield distance by adding or eliminating sections

For 300' home run distance (baseball) you can use 500' of fencing.

Recommended kits:

- 2 each 150' fence kits
 - 2 each 100' fence kits
- Extra fencing allows for extension beyond foul line for overlap

Common field designs using our standard length kits.

To calculate the fencing needed for foul-pole to foul-pole, multiply the home run distance by 1.57. (200' home run distance x 1.57 = 314' of fencing)

For 200' home run distance (softball & little league) you need a minimum 314' of fencing.

Recommended kits:

- 1 each 150' fence kits
 - 2 each 100' fence kits
- Extra fencing allows for extension beyond foul line or overlap.

SAFETY FENCING CONTINUED

3 POST STYLES: All fence posts are white with white safety caps. Hi-Impact post has light grey rubber padding and white safety cap. (F.O.B., SC)

FLEX ROD POST - This economical, flexible, 3/4" round fiberglass composite post provides 360° of flexibility and returns to upright position after impact. Our best value post, easy to install with a manual installation tool or use ground sleeves.

66" (for 4' fence) 1-FR-66 **\$16.50**

COLOR: White. Post includes white safety cap and black tension strap.

ORIGINAL-FLAT POST - Made from fiber-reinforced polymers, this flat post is our most flexible. Remains flexible even in cold weather and is recommended for sand and snow application.

66" (for 4' fence) CRFP06601 **\$23.50**

COLOR: White. Post includes white safety cap, pre-drilled hole at top, black tension strap and metal drive tip.

HI-IMPACT POST - As its name implies, this post is designed to take player impacts year after year. Our premium post for all sporting events is flex-rod encased in light grey 3/8" high density rubber padding (1½" diameter) to provide the safest post available anywhere!

66" (for 4' fence) 1-IP-66 **\$50**

Post includes white safety cap, light grey high density rubber padding, black tension strap, locking pin and **INCLUDES GROUND SLEEVE AT NO ADDITIONAL CHARGE.**

GROUND SLEEVES - Add versatility to your fence system by installing ground sleeves! Go from soccer to baseball to football on multi-use fields in minutes! Fence can be set up and removed as required. All ground sleeves come with removable safety cap and magnetic locating system. (F.O.B., SC)

Buried at ground level, sleeves allow fencing to be set up and taken down quickly without reassembly of fence posts or hardware. Two men can take down or put up 300' of fence in 15 minutes or less: Just pull the posts up from ground sleeves and roll up with fence still attached, 150' of mesh fencing becomes an approx. 18" diameter roll (65 lbs.); 50' of square link fencing becomes an approx. 12" diameter roll (35 lbs.). Easy to handle and store.
