SAFETY FENCING CONTINUED

3 POST STYLES: All fence posts are white with white safety caps. Hi-Impact post has light grey rubber padding and white safety cap. (F.O.B., SC)

FLEX ROD POST - This economical, flexible, 3/4" round fiberglass composite post provides 360° of flexibility and returns to upright position after impact. Our best value post, easy to install with a manual installation tool or use ground sleeves.

66" (for 4' fence)	1-FR-66	\$ 14.50
96" (for 6' fence)	1-FR-90	27.50

COLOR: White. Post includes white safety cap and black tension strap.

ORIGINAL-FLAT POST - Made from fiber-reinforced polymers, this flat post is our most flexible. Remains flexible even in cold weather and is recommended for sand and snow application.

66" (for 4' fence)	CRFP06601	\$ 20.50
96" (for 6' fence)	CRFP09601	40.00

COLOR: White. Post includes white safety cap, pre-drilled hole at top, black tension strap and metal drive tip.

HI-IMPACT POST - As its name implies, this post is designed to take player impacts year after year. Our premium post for all sporting events is flex-rod encased in light grey 3/8" high density rubber padding (1½" diameter) to provide the safest post available anywhere!

66" (for 4' fence)	1-IP-66	\$ 40.00
--------------------	---------	----------

Post includes white safety cap, light grey high density rubber padding, black tension strap, locking pin and INCLUDES GROUND SLEEVE AT NO ADDITIONAL CHARGE.

GROUND SLEEVES - Add versatility to your fence system by installing ground sleeves! Go from soccer to baseball to football on multi-use fields in minutes! Fence can be set up and removed as required. All ground sleeves come with removable safety cap and magnetic locating system. (F.O.B., SC)

Buried at ground level, sleeves allow fencing to be set up and taken down quickly without reassembly of fence posts or hardware. Two men can take down or put up 300' of fence in 15 minutes or less: Just pull the posts up from ground sleeves and roll up with fence still attached, 150' of mesh fencing becomes an approx. 18" diameter roll (65 lbs.); 50' of square link fencing becomes an approx. 12" diameter roll (35 lbs.). Easy to handle and store.

WHOLESALE PRICE LIST
EFFECTIVE: JANUARY 1, 2012

4' HIGH ENDURO FENCING with Yellow Top Tape

Sets a new standard for Simplicity, Durability & Appearance.

It has revolutionized portable flexible fencing systems. Simply slide the poles through the permanent vinyl pockets in the mesh fencing and drive the pole into the turf with a rubber mallet. You're done—no ropes, ties, clips, hooks, etc. The vinyl pockets, spaced every 10 ft., create an attachment to the pole that is uniform top to bottom for excellent durability and appearance. Steel pilot hole tool is included for hard ground. Optional ground sockets available.
