**HUDDLE ZONE™ SPECIAL TEAMS MAT—WIND WEIGHTED****FEWER COSTLY PENALTIES & LOST TIMEOUTS**

Gives special teams an exact location  
to **ORGANIZE** and **CALL PLAYS**  
before entering the game.

Constructed of cleat-proof industrial matrix fabric with a 3' square for each special team player, plus the front section for captain and coach. Entire edge is vinyl wrapped with internal steel chain weighting, making mat **WIND-PROOF** and easy to install without stakes. Just lay in on turf or over sideline turf protector.

***Easily folds and travels  
with team to away games!***

SPECS: Fabric: Vipo™ Matrix Material  
Standard color: Light Grey with 3" wide screened-on gold stripes and gold vinyl edging.

**TESTIMONIALS**

Our coaches feel the Huddle Zone™ Mat's convenience has saved them time, giving our kids a central location to meet before going out on the field. It has been easy to maintain and travel with. It also keeps our special teams area clear for our players to meet.

GARY JOSEPH, Head Football Coach, KATY HS; Katy, TX

Each player on our punt team is assigned a box and knows to be in it on 3rd down. It enables us coaches to have players ready if we choose to punt and may have saved us a timeout or penalty. We give some credit to the Huddle Zone™ Mat for one of our better special teams performances this season.

GREG MANTHEI, Special Teams Coordinator, DULLES HS; Sugarland, TX

9' x 15' Mat with gold stripes **#3671**

**\$375**

**BENCH ZONE® SIDELINE TRACK PROTECTOR**

**DESIGNED FOR TRACKS THAT FIT TIGHTLY AROUND FOOTBALL FIELDS**  
**WIND WEIGHTED TRACK PROTECTOR**  
**Protects Track Surface in Bench Area.**

**RESISTS & CUSHIONS AGAINST CLEATS, BUT RAIN DRAINS THROUGH.**

Finally, there's a way to easily and smartly cover sideline bench areas that include both turf AND a costly track surface. We take the toughest polypropylene geo-textile fabric and add a double-stitched vinyl edging with steel chain inserted all around. *This ballasting keeps the cover down in high winds without using stakes or staples.*

To reduce handling weight and make them easier to install, the longer Protectors come in two sections that can easily be joined with Velcro® hook & loop strips that are double-stitched along the entire length of each section's overlapping chain-free center edges.

Edging is brightly colored to maximize visibility for those crossing it.

Color: Black with 3" full perimeter gold or white vinyl edging for safety and durability. Please specify edging color. \$60 flat for different color border.

**CROSS-OVER ZONE® TRACK PROTECTOR****PROTECTS COSTLY TRACK SURFACE**

Significantly **LIGHTER** and **EASIER TO HANDLE** than the "CONVEYOR BELT RUBBER" sections that schools use for lack of a better alternative.

Toughest polypropylene geo-textile material resists and cushions against steel tipped cleats, shoes, and even grounds equipment wheels...yet rain drains through.

Its entire edge is wrapped in vinyl with galvanized steel chain inserted all around, keeping protector in place and virtually wind-proof **WITHOUT THE USE OF STAKES OR STAPLES.**

Color: Black with 3" full perimeter gold or white vinyl edging for safety and durability. Please specify edging color. \$35 flat for different color border.
