- We now offer our Pickleball net in 2 sizes.
- 3 mm polyethylene body with vinyl headband
- If purchasing for use on paddleball court, please provide custom dimensions.

**LoveOne Pickleball Scoreboard**

140-3503  $139

- Manufactured from high-quality polymer plastic that is built to last. Keeps scores for both teams and is easy to read.
- Can be used to score games such as Bocce, Cornhole, Volleyball, Badminton and many more.
- Mounting bracket and indicators included.
The Royale post body is made of ASTM-1045 steel, coated to prevent rusting and then powder coated.

- The corrosion-resistant, self-locking, internal-wind assembly, constructed of hardened stainless steel, has been re-engineered for superior winding.
- The new post handle makes tightening the net a smoother operation.
- The gear wheel is now smaller, and held in place from both sides, decreasing the amount of play — and thus wear — to the gears.

• Equipped with welded lacing rods for a professional net installation.
• Collars included. Sleeves purchased separately.
• Available in black or green. 64" overall length. 100-244: 65 lbs; 100-245: 75 lbs
• Royale Post Collars (shown above) are included.

The post is made of Schedule 40 steel, and coated to prevent rusting.

- Deadend post has cable cleat, welded setting collar, and welded lacing rods for a professional installation.
- Aluminum reel is equipped with ratchet guard for smooth and easy adjustment.
- Both posts come with brass wheel pulley post caps; sleeves purchased separately.
- Black or green. 64" overall length

800-247-BEAM (800-247-2326) | www.beamclay.com
HAR-TRU™ Deluxe Internal-Wind Retrofit Post

100-301 (2 7/8" OD)

Give your court a facelift! Our redesigned Deluxe Internal-Wind Retrofit Post will slide right over your old rusted and flaking 2 7/8" outside-diameter posts. This can save you thousands of dollars by negating the need to demolish and replace net post foundations during surface lifts and overlays. Available in black or green.

HAR-TRU™ Advantage External-Wind Post

100-302 (2 7/8" OD)

This is the same dependable design that has been a fixture on Har-Tru courts for decades.

- External reel with removable handle
- Durable, powder-coated finish
- Round shape. Sleek, designed cap with pulley and axle
- Available in black or green.

HAR-TRU™ Deluxe Internal-Wind Post

100-303 (2 7/8" OD)

- Features the classic round shape
- High-grade aluminum with powder-coated finish resists rusting and deterioration.
- Raise and lower the net rapidly using 1/2" or 19 mm socket wrench or drill.
- Welded aluminum lacing rods are elegant, and simplify tiedown.
- Available in black or green.

Windscreen Essentials & Benefits

Sizes, Vents, and Opacity

6’ or 9’
- 9’ are recommended
- 6’ places less strain on fences and is a good choice where strong winds and/or old, weak fences are an issue

Vents
- Allow some wind to pass through, reducing strain on fence and fasteners
- Highly recommended for all 9’ screens

Opacity
- Higher opacity means denser weave. Denser opacity is harder to see through and increases privacy. Does not impact strength of screen, but higher opacity will place more strain on your fence.

PLEASE NOTE: When ordering windscreens with vents or windows, you will automatically receive our standard straightline configuration unless you specify differently at time of order. If you prefer a high/low configuration or a different straightline design or placement, you must inform us when your order is placed. Call us if you need a copy of these standard designs and placements or to ask about other configurations.

Function & Form

- Improves visibility and reaction time
- Provides privacy
- Creates a professional and pleasing experience
- Breaks up gusting wind
- Minimizes off-court distraction

Hems are heat-sealed for maximum strength and durability. All sewing and stitching is eliminated where possible.

Installed in the center of 9’ windscreens to reduce wind effect and increase screen durability, allowing for attachment to the fence at top, middle, and bottom.

Optional air vents are available

- 499-112 6” x 12” Rectangle Window Sewn
- 499-112HM 18” diameter Half Moon Vent
- 499-115 Half Moon Vent Bound
- 499-123 12” x 12” Square Window Bound
- 499-124 6” x 12” Square Window Bound
- 499-125 2” x 12” Square Window Sewn

**BACKDROPS**

COURTMASTER™ backdrops are used to screen out distractions of players moving between courts as well as to provide backgrounds against which to see the ball. They also provide a physical barrier to keep balls within the court. They are available in a number of colors and weights and are manufactured with high-quality vinyl. These come standard with grommets on the top only.

**PLEASE NOTE:** When ordering Replacement Skirts with Velcro™, please note that our standard procedure is to attach the female/fuzzy part of the Velcro™ strip to the replacement skirt so that it can be attached to an existing divider curtain that has the male/rough part of the Velcro™ strip. If your existing curtain has the female strip and you need us to attach a male strip to the replacement skirt, we must be notified at the time the order is placed, because we will need to reverse our procedure.

**PLEASE NOTE:** All vinyl in our divider curtains, replacement skirts, backdrops, and padding meet the fire-retardancy standard of the California State Fire Marshal (http://osfm.fire.ca.gov) and NFPA 701.
Polyethylene Fencing

117-801

This is the strongest possible netting available that does not give a heavy appearance. It is designed for outdoor use and treated with the same weather treatment used on commercial fishing nets. Made of black polyethylene, this fencing blends into the background and is a great alternative to commercial-looking chain-link fences. Installs easily and is cut, hemmed, and grommeted to fit your needs.

Fabric Fencing

117-1006100
117-1006120

The ideal alternative to expensive chain-link fencing. Made of durable 1 3/4" mesh polyethylene netting (unbound), it’s perfect for private tennis courts because it’s aesthetically pleasing.

- Easy to attach to metal or wood poles
- 10’ or 12’ H. Lengths up to 300’
- Also available in other lengths by special order
- Available in black and green

Net Post Padding

115-91011
11" W x 42" H

115-91022
22" W x 42" H

Keep your tennis players safe with pads designed to fit most brands of posts.

- Used in pairs but sold individually
- Made of 2” classic soft foam covered in 18-oz vinyl, in multiple colors
- Both size pads come with 4 wrap-around polyester straps with Velcro™ for easy installation

Custom Pole Padding

115-206

- 2”-4” Flex-Firm
- Velcro™ or grommets for easy on/off
- Custom made to your needs
- Made flat. Not pre-shaped round

DIVIDER NETTING

DIVIDER NETTING
Court Equipment & Fabrics

For maximum strength and high weather resistance. Netting is not coated; strength and weather resistance are built into fibers. 1 3/4” knotted mesh. Strength per mesh: 140 lbs, bound on four sides with heavy-duty, vinyl-coated nylon. Grommets spaced 15” apart on top and sides. Fire retardant.

Options Include:
• Lead rope bottom hem
• 1’ vinyl bottom
• Velcro™ detachable 1’ vinyl bottom
• Standard curtain
• 10’ and 12’ high

• 1’ vinyl bottom weighted with lead rope
• Velcro™ detachable 1’ vinyl bottom with lead rope

TEACH, TRAIN, AND PLAY LIKE A PRO

We are the official supplier of ball gear to the USPTA.

Our strong line of ball products lets you teach, play, and practice anytime — on your own schedule, with or without a partner.
TEACHING CARTS & BALL BASKETS

We sell unique, high-quality, and high-performing ball baskets, carts, and mowers.

Hoag  A BRAND YOU CAN TRUST

Hoag Teaching Cart
120-9605BK
The most durable basket in the industry just got better! We've always had the best wheels, now we've added new locking wheels. These new wheels allow you to focus on teaching and not chasing the basket. This basket holds 350 balls, you can store your racquets in the cart, and it has an easy-locking lid and nice foam handle covers. Easy to assemble.

• Racquets can be locked inside the cart
• Easy-locking lid
• 40 lbs

Hoag Ball Basket
120-9602LG
• 72-Ball Basket
• Workhorse of the industry
• Perfect for club or pro
• Flexible fiberglass rods
• Lime green only

$35

Hoag Ball Basket
120-291
• Holds 85 balls
• Weather-resistant PVC coating helps protect hands and prevents court damage
• Black only

Hoag Ball Mower Gen 2
120-3200
We've redesigned the mower to be more durable. Features an adjustable handle, less noise, and secured springs. All this combined with our already proven and patented anti-jamming ball-retrieving system puts this mower ahead of all other ball mowers on the market.

Replacement Parts

$26

PLEASE NOTE: Casters are not interchangeable so please be sure to reference which Gen you have when ordering replacement parts.
A backboard that will fit everyone’s needs, from budget-conscious to top of the line. The best backboard in the business is also your best value.

**Economy Flat**
Visually looks like 8’ Flat Slimline series. Designed to compete with those who build wooden backboards. Each panel contains sound-deadening interior (no metal interior frame) and is encased in the same outer fiberglass and gel coat shell with Imron paint. Three horizontal rows of pressure-treated 2 x 4s (provided) are mounted to fence post.

- Won’t rot like other wooden backboards
- Great for court owners, driveways, schools, and parks
- 10-year warranty on backboards, 1-year warranty on paint

<table>

</tbody>
</table>

**Slimline Series**
Panels are 1 3/4” thick with correspondingly less interior framework and thickness of sound-deadening material. Each panel is otherwise manufactured similarly to 10’-high professional lines. Panels are pre-drilled so green face bolts attach each panel to metal channel.

- Will not rot like other wooden backboards
- Great for court owners, driveways, schools, and parks
- 10-year warranty on backboard, 1-year warranty on paint

**Professional Flat Series**
Panels are 2 1/2” thick with interior frames dividing each panel into 20 sub-compartments. Each sub-compartment is filled with sound-deadening materials. Panels are encased in thick fiberglass and protective coating. Front edges of panels are sprayed with a high-quality impact-, solar-, and temperature-resistant green polyurethane Imron paint.

- 10’ high panels
- Heavy, complex, reinforced metal interior frame
- Encased in thick fiberglass
- 10-year warranty on backboard, 1-year warranty on paint

**Single Curved Series**
Made similarly to the 10’ Professional Flat Series, but curved from top to bottom. The advantage of this backboard is that it simulates a tennis match while you still achieve practice, warm-up, and workout. Ongoing studies on Bakko’s test courts reveal this backboard is the first choice of players and professionals.

- 10’ high panels
- 2 1/2” thickness
- Gentle concave curve
- 10-year warranty on backboard, 1-year warranty on paint

Tennibot
120-3202

Har-Tru has partnered with Tennibot to bring advanced technology to the court! The world’s first autonomous tennis ball collector’s patented design cleans up the court for you, so that you can hit more balls, rather than pick them up, making it the best solution for tennis facilities that are interested in increasing the efficiency of their courts. Coming to the market in spring 2019!

The PickupWall

Har-Tru is the exclusive distributor of The PickupWall. This Gen2 is designed to automatically return balls back to the tennis ball machine for continuous play. Updates have improved performance and increased reliability using whisper-quiet lifter technology. Picking up fewer balls means players get a better training experience and more hitting time. The PickupWall requires only 3 feet of space at the back of the court and will feed a ball machine or ball hopper. Great for both indoor and outdoor courts. Available in custom colors like charcoal gray, crimson red, hunter green, jet black, Pacific blue, sun yellow, and tangerine orange. 2-year warranty

*Pricing includes unit installation within the continental U.S. and Canada. Freight is additional.

HARDCOURT OR CLAY — WE’VE GOT YOUR TOOLS

A clean court is a happy court — and we’re here to help you keep it pristine. From rollers to rakes to water removers, our maintenance equipment is ready when you are. Don’t know what you need? Just ask. Our experienced team can offer advice on which tools make the most sense for your situation.
GATOR RAKES

Gator Rake: Best tool for maintaining optimal traction

Many of today’s Har-Tru courts need daily agitation to perform at their best. This is particularly true for subsurface-irrigated courts, West Coast courts, and indoor courts. The Gator Rake line was developed for this very purpose: It’s a tool that can be used daily to leave the ideal amount of loose surface for perfect play. The shape and length of the aluminum teeth, along with the weight characteristics of the rake, make it unique to its purpose.

Gator Rake Pro 72” Tow Model
146-3684

This contractor-grade tool is the heaviest and most durable rake on the market, making it ideal for scarification, top dressing, and aggressive daily maintenance. Weight towers (sold separately) allow you to add weight for deeper surface penetration. 33 lbs

72” Hand Model Rake
146-3686

The 72” Hand Model Rake brings the court back to life after heavy play. It’s just the right size and weight for members to pull around the court between matches. 16 lbs

The Agitator
24” Hand Model Rake
146-3685

The Agitator is the best hand tool we have for spot treatment of areas susceptible to moss, weeds, algae, or hard pan. 6 lbs

Gator Rake Weight Towers

Weights not included for tow bar only.

$39.95

$120

$50
Court Devil Jr.

146-3408

This smaller, hand-model Court Devil is designed for maintaining areas along court perimeters and beneath the net line. It is also great for loosening localized hard spots. Weight 85 lbs

Court Devil

146-3409

Designed to agitate the court surface without removing or damaging existing line tapes, it also helps prevent and break up mineral deposits, mold, algae, and fungus that tighten the court surface. It scarifies the court with circular steel blades mounted on free-turning axles. For best results on the court, add no more than 50 lbs of additional weight. Weight 105 lbs, width 48”

Tow Scarifier

146-3413

4’ wide, 2 rows of nails, 61 nails per row

This 48”-wide, heavy-duty tow model scarifier is truly a workhorse for loosening the top surface on Har-Tru courts. It is especially good for indoor courts and sunbaked southern courts that have excess calcium buildup. The unit is heavy enough to allow its two rows of case-hardened nails to really penetrate the surface.

- Sized to fit between the alley tape
- Levered wheels lift unit over tapes so tapes can be left in place
- Adjustable tow hitch fits most utility vehicles
- Adjustable steel rails lower nails as they wear down
- Removable steel plate allows for easy nail replacement
- 40D nails: 3/16” diameter by 5” long
- Federal nails for Scarifier

Replacement Nails

146-3415

50-lb box

$189

Lute/Scarifier

146-3047

30” (5 lbs)

146-3420

48” (6 lbs)

The Lute/Scarifier is two tools in one, made of all aluminum for scarifying, leveling, and removing loose granules. It is strong and sturdy, yet light enough to use all day, and excellent for spreading new material during top dressing. The concave shape of the 30”-wide blade allows the tool to “float” along the surface, without grabbing or digging in.

Truflow Topdressers

124-3069

24” Hand Spreader
36.8” Overall with wheels attached

124-3065

36” Tow Spreader
57” Overall with wheels attached

124-3066

54” Tow Spreader
79” Overall with wheels attached

These three top-dressing units offer unmatched performance in distributing HAR-TRU® as well as rubber and other materials for synthetic grass, natural turf, and running tracks.

A 24” hand model will hold up to four 80-lb bags of HAR-TRU® and the 36” tow model will hold eight 80-lb bags, while the 54” tow model handles a whopping twelve 80-lb bags of HAR-TRU®! Simply bolt on the handle and you are ready to start your preseason renovation.

These three top-dressing units offer unmatched performance in distributing HAR-TRU® as well as rubber and other materials for synthetic grass, natural turf, and running tracks.

A 24” hand model will hold up to four 80-lb bags of HAR-TRU® and the 36” tow model will hold eight 80-lb bags, while the 54” tow model handles a whopping twelve 80-lb bags of HAR-TRU®! Simply bolt on the handle and you are ready to start your preseason renovation.
Har-Tru Maintenance DVD

149-3459

The Har-Tru Maintenance DVD set includes three DVDs filmed in partnership with USPTA. The DVDs cover topics from “What is Har-Tru?” to the latest in subsurface irrigation, annual maintenance procedures, and step-by-step instructions for topdressing.

Cutrine Plus

122-3456

Cutrine liquid algaecide is for use in HydroCourt® water control boxes only. The application rate is 7 ounces per each water control box per each application. Applications should be made every four months. The recommendation is for 1 gallon of Cutrine per court per year to deliver the best algae control available. Not available in all states. Cannot ship to the following states: AK, AL, AZ, CA, CT, HI, ID, MA, MD, ME, MN, MT, NH, NJ, NY, OH, OK, OR, RI, VT, and WA. Could change without notice.

AlgaeBlaster

162-1000

AlgaeBlaster is a liquid algaecide that contains copper sulfate. Dilute 4 ounces of AlgaeBlaster in one gallon of water. Use a watering can or weed sprayer to go around the perimeter of your courts and other problem areas that show algae growth. One 2.5-gallon container should cover 3-4 courts. Apply monthly during the rainy season. Sold only in AL, FL, GA, NC, SC, and VA.
Har-Tru Designer Tape

109-602P | 109-602U
$348

This Designer Tape is the best line tape you can buy for your court, with its sure-spin feature and unique raised pattern specifically designed to allow consistent ball spin and speed at any angle the ball strikes the tape. It offers easy cleaning, long life and stability, and will not yellow with age. The webbing is made from the finest synthetics available, and has a pure PVC coating. It is available with or without preformed nail holes. 490’ per roll

Har-Tru Classic Tape

109-601P
$343

The same top-quality webbing and vinyl coating used in our Designer Tape is also the basis for our Har-Tru Classic Tape. It has an even-textured, rubberized coating that combines good ball bounce, long life, and easy cleaning. Available with preformed nail holes. The Har-Tru Classic Tape represents affordable quality in a line tape. 490’ per roll

Har-Tru Herringbone Tape

109-603P | 109-603U
$335

The Har-Tru Herringbone Tape is designed to ensure consistent ball spin and speed at any angle the ball strikes the tape. It is easy to install, made of long-lasting vinyl, meets specifications, cleans easily, stays white longer, and has preformed holes for nailing ease. It has the same long-life quality as the Har-Tru Classic Tape, but with added texture. The balance of quality construction and player benefits makes the Herringbone Tape the best tape value. 490’ per roll

2” Tenex Standard Tape

109-501P | 109-501U
$350

The Tenex Standard Tape offers the same rigidness as the Designer Raised Tape but has an even textured finish that is easy to clean throughout the playing season.

2” Tenex Herringbone Tape

109-503P | 109-503U
$345

The Tenex Herringbone Tape is the most popular pattern design. The pattern of the design allows for a consistent ball spin and speed when the ball strikes it. It’s also made of the same high-quality webbing as the Standard and Designer Raised dot pattern ensuring the rigid, long lasting qualities as the other designs. The balance of consistent ball bounce and long life makes the Tenex Pro Herringbone Tape the line tape value.

</table>

Our temporary lines come in red or orange to match the balls used on 36' and 60' courts — and to show up sharply against the Har-Tru green. The system comes in two pieces attached with Velcro™ and secured to the court surface with just a few nails. One Velcro™ intersection allows you to install the lines without disconnecting the center strap. Nails are included with the lines. 36' lines are 1" wide, 60' lines are 1.5" wide.

- **108-3681** Temporary Line Rings
- **108-3682** Temporary Line Reel
- **110-512** 3" Alum. Nails for QS Lines, 16 Nails Per Set
- **110-513** 2.5" Copper Nails, 4 Nails Per Set

---

**Tape Layout Cables**

**150-3032**

Line tape layout is a snap with the court cables from Har-Tru. One person can locate pivot points and corners quickly, saving time and effort. Instructions included.

**$75**

**Tape Stretcher**

**150-3040**

The tape stretcher ratchet has a 2"-wide slot to insert tape for quick and easy installation of straight line tapes by one person. The leather pad and support strap allow the ratchet to pull the tape straight and taut just above the surface so it can be nailed securely.

**$350**

**Straightliner Plus**

**150-3471**

This is the fastest and easiest way to mask court boundaries for painting, by laying out masking tape lines precisely and evenly. Tape guides can be changed in seconds. Lay 1" masking tapes 1 1/2", 2 1/2", or 3" apart. Curves and circles can be made just as easily as straight lines. 8 lbs

---

**Permanent Lines**

**108-3679**

Our permanent 10 & Under line tapes are made from the same materials as our traditional line tapes. They are colored dark green in an effort to blend in to the court surface, making it easy to move from tennis to 10 & Under quickly with no hassle.

**$127.95**

Tow Roller

127-3073  4' Roller  $4110.75  
127-3067  5' Roller  $4719.75  

The Tow Roller model is an easy-to-use alternative to the power roller. It can be pulled by a golf cart, lawn tractor, or utility vehicle and still offers the same rolling speed and convenience as the power roller. This unit can be upgraded to a motorized roller by adding the power head of the CourtPac Pro as shown on page 32. It comes with a towing tongue, hitch pin, urethane blades, and front and rear court brushes. Shown here with optional auxiliary wheels, it comes in a 4' and 5' width and has a 1-year warranty.

Auxiliary Wheels

128-3038  Aux Wheel Kit for Tow Roller  $790.50  
128-3041  Aux Kit for CourtPac Pro Roller  $765  

Auxiliary wheels have been designed to ease roller movement over difficult terrain. Leverage handles raise or lower the wheels, lifting the roller off the ground to prevent damage. A heavy-duty locking pin secures the wheels in position. The auxiliary wheels will increase the life of your roller and make it much easier and quieter to use when difficult transporting is required.

127-3044  Small Hand Roller  

Perfect for the club that needs touch-up work around court edges, patching of low spots, etc. The drum size is 18" x 24" and can be filled with water for a total weight of 320 lbs. The unit is all steel and comes with a scraper bar for removing any buildup on the drum. This roller is a good companion for your heavy-duty court roller. 1-year warranty.

Split-Roll Hand-Tow Roller

127-3045  

This 24" x 24" hand roller is improved to give the same split-roller action as our more expensive rollers. Dual drums can be water-filled for added weight, yet can turn on the court without damaging the surface. This is the only hand roller that can be towed in ovals with its dual-purpose handle. A scraper brush is included for removing any buildup on the drum. Good roller for those on a tight budget. 1-year warranty.
The Line Master

148-3042 Fine $165
148-3042C Coarse $165
148-253 $8

Features include a curved handle, all-aluminum construction for rust-free outdoor use, positive locking brush action, and a perfectly textured brush for an easy-to-use yet firm brushing action. The angle allows the brush to dig in and remove those hard-to-clean areas that require more pressure. Brushes available with coarse or fine bristles.

Aussie Clean Sweep

136-3033 8' Model $455
136-3053 4' Model $285

This unique combination tool from Australia helps pick up and remove leaves, pine needles, stones, ball fuzz, and other debris found on your court while grooming the court like a drag brush. The PVC tines lift the debris and flip it on top of the unit so it can be carried off the court. Available in 4' and 8' widths.

New style coming in 2019!

Replacement Brush Assemblies

148-3048 Fine $84
148-3048C Coarse $84

Complete replacement brush assembly for The Line Master with a synthetic brush, axle with nylon sleeves, and springs. Easy to install and requires no special tools. Available in coarse or fine.

Line Scrub

148-3057 $69.95

The heavy bristles break up the HAR-TRU® that gets caked on the tape. The unique aluminum handle gives the needed leverage to make the job easy. The brush head is reversible and replaceable.

Super Squeegee

143-232 36" Squeegee $138
143-246 36" Squeegee With Adjustable Back Plate $158
143-210 Squeegee Corner Bracket and Hardware (Includes 2 brackets) $18.75
144-3448 36" Rubber Blade. 50 Durometer. $22.25

The Super Squeegee is a contractor tool specifically designed to spread acrylics and adhesives during hardcourt construction and resurfacing. It is the first such squeegee that provides the following advantages:

- An optional back shield, allowing users to simulate different durometers of rubber simply by adjusting the flex of the rubber
- A 6" handle with adjustable rubber grips for added feel and control
- An easily adjusted handle bracket and blade to accommodate different angles
- 50 durometer rubber blade
- A solid mounting bracket to eliminate chatter and stabilize the surface blade

Aussie Clean Sweep

136-3033 8' Model $455
136-3053 4' Model $285

This unique combination tool from Australia helps pick up and remove leaves, pine needles, stones, ball fuzz, and other debris found on your court while grooming the court like a drag brush. The PVC tines lift the debris and flip it on top of the unit so it can be carried off the court. Available in 4' and 8' widths.

New style coming in 2019!

The ClayTech Grooming Brush is designed to groom the ClayTech surface as well as move the infill particles into a consistent pattern, filling in crevices and smoothing the surface. The coarse, thick bristles scrape and clean the membrane fibers so that infill buildup on the fibers does not occur. This grooming tool leaves the ClayTech surface clean, smooth, and consistent.

Drag Brush/Lute, 7’

</tbody>
</table>

The Drag Brush/Lute combination has three individual rows of 6” bristles. Two softer, outer rows of bristles move the finest particles of HAR-TRU®, and a third firm, inner row of bristles levels low spots and divots. Turn the brush over and you have a 7’ lute, perfect for cutting out high spots or leveling small patches. Every club should have one.

Tow Handle

136-3668 Tow Handle

The Tow Handle includes right and left handles, a U-joint, and an S-hook. This setup allows the Drag Brush to be pulled at the proper angle and provides for easy attachment to a utility vehicle. Special knuckle action helps prevent breakage if the brush bumps the fence or net while in tow.
Court Maintenance ➤ WATER REMOVERS

COURTMASTER Royale™ Sweep
143-3153  $63
Great around pools, on driveways, for golf greens
• All-steel, powder-coated white frame
• Comes with 4" blue PVA foam roller
• Also works with 2" PVA foam roller
• Works on any hard surface with no scraping or damage to court
• Produces a 36" sweep that squeezes water ahead of roller unit

144-3151  $35
4' Diameter Blue Replacement PVA Foam Roller With Spacers: Replacement Roller for Both 143-3151 and 143-3150

144-3078  $4
2" Replacement End Cap

Mastersweep by Rol-Dri
143-3150  $65
Made from tough, durable polyvinyl alcohol, this remarkable seamless roller will outperform any other roller. The nondeteriorating foam is molded directly onto the roller core for a seamless fit to ensure rapid, streakless drying.

144-3078  $4
2" Replacement End Cap

Seamless Rol-Dri
143-243  $57
The revolutionary Rol-Dri water remover has a unique “rolling seal” action that continually squeezes water ahead of the roller. Standard size is 36". Weight is 8 lbs. It can be used on both hard and HAR-TRU® courts.

143-208  $44
Seamless Gray Replacement Foam Roller

144-3078  $4
2" Replacement End Cap

Super Sopper
143-300  7-Gallon Mackerel  $627
143-301  14-Gallon Dolphin  $787

The Super Sopper takes care of total water removal by lifting water from a court using a sponge-covered barrel and straining it into the center of the porous barrel, where it is held until emptied. Can hold up to 14 gallons. The Super Sopper is perfect for courts that puddle in low areas. It can be used on both hardcourts and HAR-TRU® courts. Replacement sponges available.

144-3512  Mackerel Replacement Sponge  $33
144-3519  Dolphin Replacement Sponge  $39
WATER REMOVERS & WATER BROOMS

Court Maintenance

32" Medium-Duty American Water Broom
142-3072
This 6-jet water broom cleans a 32" path.
- Constructed of light-gauge steel with brass fittings
- 6 rubber-and-brass push-nozzle assemblies, brass on/off valve, and double ball-bearing rubber casters

- Easy to use: just connect the water broom to a standard garden hose
- Cleans in a third of the time with a tenth of the water
- 7 threaded brass nozzles, heavy-duty steel-and-brass construction, double ball-bearing caster, brass shut-off valve
- Shipped assembled and ready to use
- 12 lbs

36" Medium-Duty American Water Broom
142-3072

9-Jet Water Broom

COURTMASTER™ PVC Rain Shuttle
143-3401
The PVC Rain Shuttle is light, strong, and rustproof and won't scratch or mar courts. With a 5'-wide sweep, it will dry a court in half the time of a roller-type unit. Replacement blades are available and easy to change.

144-3408 Replacement Blades

We've invested in the PVC line to improve quality and consistency.

COURTMASTER™ All-Aluminum Rain Shuttle
143-3287
Redesigned as a superior all-aluminum court drier for more durability. Features improved casters for better mobility and operation, plus a better-functioning blade. Easy to use and store. Won't scratch or mar courts. 5'-wide sweep.

144-3288 Replacement Blade
144-3286 Replacement Wheels

9-Jet Water Broom
142-3055
Made of aircraft structural aluminum, eliminating rust and corrosion.
- Durable neoprene wheels will not mark surfaces
- Guards protect brass jets from wear
- Washes up to a 4' path with one pass
- 42" L
- Anodized blue
- 7 lbs

Hydro-Mizer Water Broom
142-3042
The new patented water broom cleans in less time while using far less water than a commercial hose with sprayer or power washer.

9-Jet Water Broom

We've invested in the PVC line to improve quality and consistency.

</tbody>
</table>

The Falcon 6504 series rotor heads are ideal for commercial use. This head is offered with plastic or stainless-steel risers. Easy arc adjustment (part-circle model) through top of rotor adjusts from 40 to 360 degrees. 5-year manufacturer’s trade warranty.

- **Radius:** 39’ to 65’
- **Flow:** 2.9 to 21.7 GPM
- **Inlet Size:** 1" NPT
- **Included:** Nozzle set and adjustment tool
The 5000 series with Rain Curtain Technology is engineered to deliver a uniform spray pattern, giving you superior distribution uniformity and consistent water coverage. 5-year manufacturer’s trade warranty

- Radius: 25' to 50'
- Flow: 0.73 to 9.63 GPM
- Inlet Size: 3/4" NPT
- Included: Nozzle set and adjustment tool

**5006 PLPCS**

- **156-5015** Pop-Up Rotor Ultra 4" ADJ/Full Circle Head
  - The PGP Ultra is one of the best-selling PGP rotor heads with arc settings from 50 to 360 degrees, factory-installed rubber cover, through-the-top arc adjustment, water-lubricated gear drive, and multiple nozzle choices. 5-year manufacturer’s warranty
  - Radius: 17' to 47'
  - Flow: 0.36 to 14.8 GPM
  - Inlet Size: 3/4" NPT
  - Included: Nozzle set and adjustment tool

- **156-4006** Adjustable High-Performance Rotor Head With Stainless-Steel Riser
  - The I-20 is ready to water with efficiency and reliability. Recent improvements include automatic arc return, non-reversing 360, from 50 to 360 degrees, and a non-strippable, vandal-proof drive mechanism that prevents gear stripping and saves repair costs. With stainless-steel riser.
  - Radius: 17' to 47'
  - Flow: 0.36 to 14.8 GPM
  - Inlet Size: 3/4" NPT
  - Included: Nozzle set and adjustment tool

- **156-4007** Adjustable Arc 50-360 With Plastic Riser
- **156-4002** 4" Rotor Adjustable Arc 50-360 With Plastic Riser
- **156-4003** 4" High-Speed Rotor Adjustable Arc 50-360 With Stainless-Steel Riser
- **156-4008** 6" Rotor Adjustable Arc 50-360 With Plastic Riser
- **156-4009** 6" Rotor Adjustable Arc 50-360 With Stainless-Steel Riser
- **156-4010** 6" High-Speed Rotor Adjustable Arc 50-360 With Stainless-Steel Riser
  - The I-25 has a robust watering radius of 40 feet to 71 feet. It has a compact, highly durable design with a standard check valve built in and a wide selection of high-performance nozzles available. Your choice of plastic or stainless-steel riser. 5-year manufacturer’s warranty
  - Radius: 17' to 47'
  - Flow: 0.36 to 14.8 GPM
  - Inlet Size: 3/4" NPT
  - Included: Nozzle set and adjustment tool

- **156-4018** 6” Plus Series Part Circle/Reverse Full Circle
  - The 5000 series with Rain Curtain Technology is engineered to deliver a uniform spray pattern, giving you superior distribution uniformity and consistent water coverage. 5-year manufacturer’s trade warranty
  - Radius: 25' to 50'
  - Flow: 0.73 to 9.63 GPM
  - Inlet Size: 3/4" NPT
  - Included: Nozzle set and adjustment tool

GET STARTED ON THE FINISHING TOUCHES

The right amenities are more than just a nice addition to your court. Shoe cleaners, score keepers, coolers, and valets: The little things mean a lot. To improve your players’ experience, take your court up a notch with our essential accessories.
SHOE CLEANERS

Tread Blaster™

147-4000

The Tread Blaster is uniquely designed to remove dirt and grit from your shoes without getting the tops of your shoes wet. A necessity for all facilities with clay courts. Easy to install, all you need is access to water and a hose with a spigot that provides a pressure of 30 to 60 psi. You’ll be happy you made the investment.

147-4000RD European Red Tread Blaster

$399

Har-Tru Shoe Brush

147-3601

The Har-Tru Shoe Brush can be attached to the sidewalk or left freestanding. The softer upper bristles dust off the upper portion of the shoe while the stiffer lower bristles scrape topping from the soles. The base is made of heavy-duty carbon steel. The shoe brush is easily cleaned with a hose or soap and water.

147-3603 Replacement Side Brush
147-3602 Replacement Bottom Brush

$71

Court Maid Jr.

147-3576

The Court Maid Jr. is installed at the gates and exit points of your HAR-TRU® courts for cleaning tennis shoes and trapping HAR-TRU® within its collection basin. The all-aluminum, powder-coated frame is covered by a super-strong brush unit that is easily removed to clean out the accumulated HAR-TRU®. Simply hose off to clean. The unit measures 12” x 10 1/2” x 5 1/2”.

$299

Scusher Shoe Cleaner

147-3063K Scrusher With Base
147-3060 Scrusher Without Base

Simultaneously cleans bottoms and sides of all types of court shoes. A strong solid-steel frame holds three terraced bottom brushes and two half-circle side brushes. Durable for use indoors and out. 10 lbs

147-3284 Replacement Brush Kit
147-3285 Portable Base

$44

Tennie Two-Step

147-3012 Tennie Two-Step With Brush
147-3046 Tennie Two-Step Without Brush

The Tennie Two-Step has become the industry standard for keeping clubhouse carpets, players’ shoes, and tennis club pathways clean. It is a UV-resistant, polyethylene, water-holding basin containing two patented perforated rubber panels designed to force water into the soles of your tennis shoes while you rock back and forth on your feet. The results are noticeable everywhere. Clean tennis shoes mean less HAR-TRU® in the pro shop, on walkways, or in your car.

147-3011 Replacement Brush

$50

Tread Blaster™

147-4000

The Tread Blaster is uniquely designed to remove dirt and grit from your shoes without getting the tops of your shoes wet. A necessity for all facilities with clay courts. **TruScore Scorekeeper**

The TruScore Tennis Scorekeeper has revolutionized tennis scorekeeping.
- Solid nylon rings eliminate flimsy metal rings
- Tiebreak bar indicates when players have gone into a tiebreak
- Next card numbers allow players to view the next numbered card
- First Serve bar indicates what game players are in

**Court Numbers**

- **140-01 thru 30**: 9 3/4" x 11 3/4". Green on white, durable hard plastic. Black on white is also available.
- **140-3100**: 8" x 10". Made of durable hard plastic with green numbers on a white background. One and two digit.

**PLEASE NOTE**: Special Order additional charges may apply.

**Tennis Court Numbers 1-24**

- Bold, black numbers on exterior-grade styrene
- Ties included for mounting
- 7" x 10"

**法院时钟**

This all-weather clock measures 18" in diameter and is designed to handle the sun, rain, wind, and cold. The clock is radio-monitored and updated every few hours off the United States Military’s atomic clock in Boulder, Colorado. The unit also provides readings for temperature and relative humidity.

Your members will appreciate your looking out for them!

**TopScore Scoreboard**

You’ll want to see this on your court. TopScore is the world’s first digital, two-sided, net-mounted, self-scoring tennis scoreboard. Bright digital display designed for indoor and outdoor courts. Available in two combinations of white and green, 2 7/8", 3", and 3 1/2" post brackets available.

Logos added for free!

**Score Tube**

**139-405**

Patented tennis score keeper secures over the net post, attaches to the net, or hangs on a fence. Installation is quick and easy. Stainless-steel clamp to secure to post or net is furnished. Hooks are also supplied for fence mounting. Players use tennis balls to keep score. There are no moving parts to break or rust. The entire unit is sealed, so rain and weather have no impact on it. Available in white.

---

**Royale Scorer**

**139-3472**

The Royale Scorer is a small, affordable scorecard that rests inconspicuously on the end of the net. It fits in a tennis bag, yet has scorecards large enough to be seen from anywhere on the court. The Royale Scorer comes with its own carrying case.
COURTMASTER™
Court Valet With Basket

129-260

Convenient valet tray and basket for the tennis court. Tray has hooks for towels or jackets plus a sturdy aluminum molded bracket. Tray provides a handy place for players to put beverages, ball cans, wallets, etc. Fits up to 3 1/2" round or square net post. 16" high. Available in black or green. 6 lbs

HAR-TRU™ Cooler Stand Complete

119-3100BKK 5-Gallon Kit

Before you dig up your tennis court to add the convenience of a water fountain, consider the inexpensive alternative of an attractive courtside water cooler. This insulated cooler is lightweight and ready to serve ice-cold water or any sports beverage. This unit also includes a tidy basket, cup dispenser, and 600 cups. The unit comes with a pedestal stand, available in black or green. Replacement coolers, stands, baskets, and round cup dispensers are available. 30 lbs

Tidi-Court Court Organizer

129-5001

This court organizer keeps everything in its place. It has a convenient valet tray for wallets, keys, etc.; out-of-the-way hooks for towels and jackets; a trash can; and indented holders to eliminate beverage spills. Available in black or green. 9 lbs

129-5002 Replacement Basket

129-5003 Tray With Hardware

Retour Tennis Ball Recycle Bin

149-1000

Go green! Don’t throw away used tennis balls — recycle them! This fence-mounted bin is easy to install, easy to use, and easy to manage and maintain. Bin conveniently hangs, eye-level, on tennis court fencing — as soon as players finish a match they immediately discard balls.

COURT SEATING

- Cabanas
- Benches
- Umpire Chairs

MAKE YOUR COURT EASY AND INVITING

We have a variety of seating choices to round out your court. It doesn't seem like that many players sit down on change-overs, but the moment seating isn't available, it's sorely missed for that occasional shoe tie or as a place to put your gear. We offer a range of hard-working, attractive designs.
**Cabana Bench Table**

**134-3800**

Perfect for anywhere people might want a shady spot to sit, eat, or get quick shelter from sudden rain. Comes with a convenient table to place a drink, equipment, or snack. Available in two sizes (10 ft or 8 ft) to fit your landscape or budget.

**Bench Specs**
- 3" x 4" Durawood plastic composite material

**Table & Benches**
- 3" x 4" Durawood plastic composite material

Courtsider Court Bench

**130-3230**  
1-5 qty $171.50  
6+ qty $152.50

This is the third generation of our Courtsider, with added comfort and strength. Weatherproof, lightweight, and ideal for courtside, poolside, patio and golf tee area, and public or private parks, with five vertical “I-Beam” supports and 100% solid PVC coloring compounds used throughout. The best UV-inhibiting, fade-resistant materials available are used in the compound. (If subjected to year-round intense sunlight, as in Florida and other southern states, some fading may occur over time.) Bolt holes in bench legs secure it to solid surfaces for theft prevention. White or green. 5’ long. 35 lbs

2-year manufacturer’s warranty
