## GAMESHADE® MODULAR DUGOUTS

GameShade® Dugouts are created from sturdy powder coated steel members. Unlike the kit-built versions from other manufacturers, their pre-assembled (welded) roofs and columns minimize on-site construction time while reducing ongoing maintenance. Their plate mounted design eliminates the need for expensive concrete footings. Optional wind screen, vinyl and security panels can be added to create an economical enclosed dugout. Colors, dimensions, wind load designs and columns locations can be varied to suit almost any facility or customer needs.

### PRODUCT OVERVIEW

- ▶ Sleek, cost effective shelter for all levels of competition
- ▶ Fully preassembled powder coated steel roof and columns
- ▶ Roof, fascia and columns offered in various colors and enclosure options
- ▶ Industry exclusive 5-year manufacturer's product warranty
- ▶ Custom sizes and designs available upon request
