**FLEXIBLE TURF & INFIELD DRAG MATS, STANDARD-DUTY** 3/8" x .046" galvanized steel with Rope & Handle. Red spacers are placed in the two corners that do not have the attachment. The mat can roll up from left to right with the drag attachment bar on the right. Great for working aeration cores into turf. Convenient for transporting to multiple infields since they roll up. Custom sizes available. Mats are generally rolled and a cardboard sleeve is placed over each end for shipping with additional cardboard around the middle to place shipping labels.

**Most Popular Sizes:** From PA plant allow 2-3 weeks lead time. Most popular sizes normally in stock from NJ.

### DRAG MATS

#### FLEXIBLE INFIELD DRAG MAT

Same construction as Flexible Turf Drag Mats on preceding page, except includes heavy duty angle iron across front of mat & a heavy duty chain for pulling.

**#1149821** 6'6" Wide x 4' Long (68 lbs.)

**\$525**

**FLEXIBLE INFIELD  
DRAG MAT**

#### 6' LEVELING BAR

Designed to attach to a 6' wide flexible turf drag mat to make more effective use on infields. Shave off high spots and fill in the low areas. Bent wings prevent material from spilling over the edges. 6' wide, 3/8" thick, powder coated steel construction. Quick connectors are included for attaching a flexible drag mat. Order drag mat separately (on preceding page).

**#1237009** (15 lbs.)

Order drag mat separately (on preceding page).

**\$165**

#### HEAVY DUTY FLEXIBLE DRAG MAT

Over 3 times the strength of the standard flexible turf drag. 1/2" x .062" galvanized steel 1" x 1" 3.5 lbs. per sq. ft. weight. Comes complete with steel drag attachment with forged eye bolts, rope and handle.

**HDFDM4X4** 4' Wide x 4' Long (64 lbs.)

**HDFDM6X4** 6' Wide x 4' Long (96 lbs.)

**COCOA MATS**

The secret weapon for professional grounds keepers across the country! Constructed from natural cocoa fibers that "float" across the surface producing a beautiful finish with minimal movement and build-up of your infield mix. Unlike steel drags, cocoa mats drastically reduce the accumulation of dirt when you're finished.

**COCOA MATS—CHAIN BRAIDED—NOT FRAME MOUNTED**

For 5th Inning Touch-Up! Attach your own 2 x 4 and pull rope or chain. Attach two side-by-side to double width.

36" x 24" x 1-1/4" (8 lbs.) **#CM-CB-NFM36X24**

42" x 26" x 1-1/4" (8 lbs.) **#CM-CB-NFM42X26**

48" x 30" x 1-1/4" (10 lbs.) **#CM-CB-NFM48X30**

**\$55**  
**\$50**  
**\$85**

**COCOA MATS— RUBBER BACKED—FRAME MOUNTED**

Bristles down for the perfect 5th inning touch-up! Flip mat over and use solid steel twin bladed cutting edge for shaving off high spots and filling in the low. Also great on turf to break up core aeration plugs and smooth in top-dressing materials. Features a hand hold for easy transport. Note: 2' deep mats include a tow rope with wood handle; the 4' deep mat includes a heavy-duty tow chain at no additional cost.

**STANDARD**

**#1091540** - 4' Wide x 2' Long w/rope & handle (27 lbs.)

**\$245**

# ERASER

**ERASE 2.0 DRAG MATS**

The **ERASER DRAG** has a lightweight design and heavy-duty impact for your field dragging needs. Made of industrial strength rubber, the **ERASER DRAG** gives a pro finish! The holes in the mat allow your material to percolate through! It will not harm grass, mounds, home plates, or golf greens when coming in contact. The industrial rubber won't kink like steel drags or crease like cocoa mats! Easy to roll up and transport! **TOW ROPE INCLUDED!**

**CUT-N-LEVEL DRAG/SCREEN**

The Cut-N-Level drag/screen is designed for grooming the surface of playing fields. It features flat steel cutting blades & a screen for rock removal. The cutting blades are slotted and attached to the main frame with bolts, allowing the operator to adjust the blades for the desired depth of cut. The Cut-N-Level drag/screen can be used to smooth and level the field, plus for rock removal as the need arises saving the extra man hours normally needed to do these jobs. Frame & Blades are galvanized. Weight 220 lbs. Size 6'W x 4'6"D.

#BSCLDRAG

\$1,250

**LEVELS FIELD**

By adjusting the blades the operator cuts down clay build-up. The clay is carried by the blades, as the drag passes over holes it is then deposited in the holes leaving a smooth & level surface.

**PICKS UP STONES**

Rocks and stones are removed by placing the screen (16 gauge x 1/2" opening) above the frame and adjusting the blade so that they scrape up rocks lying on the field. This directs the rocks onto the screen that is made of wire mesh. The clay sifts through, thus holding any materials too large to fall through.

**HELPS DRY WET FIELDS**

By adjusting the blades to shave the top layers of clay, the drag will mix wetter top clay with dryer lower clay. By rolling this mixture along and exposing it to the air, a dryer clay will deposit on the field.

**STEEL FLEX DRAG MOP**

Designed for finish grooming small areas. Powder-coated aluminum handle is 66" long with aluminum head and wrap around bracing. Flex drag size measures 24"W x 18"L.

#BSFDM

**DIRT DOCTOR™ JR. INFIELD GROOMER**

Like the powerful **DIRT DOCTOR™**, the **DIRT DOCTOR™ JR.** Infield Groomer is designed to do the job of 3 separate implements in one convenient unit. It is a ripper, a drag, and a roller - all in one. The **DIRT DOCTOR™ JR.** is designed specifically to be pulled by a 4-wheel drive utility vehicle or a compact tractor.

Manufactured to the same exacting standards as the larger model, **DIRT DOCTOR™ JR.** shares the same rugged durability but weighs less than 600 lbs. Now you can have the durability of the original **DIRT DOCTOR™** without the need for a large, expensive, field size tractor.

The **DIRT DOCTOR™ JR.** can plow, pulvurize, drag, compact, and finish a 4' wide path in one pass. The pulvurizer bar, wheels, center drag, and harrow bar with reversible teeth have multiple height positions that are quickly and easily changed without tools. No more running back to the shop to make adjustments. Plus the multiple height adjustment is perfect for varying soil and field conditions. The front hitch has 4 positions to adjust for varying hitch heights. A 6' wide drag mats can be attached to either model for final grooming or between innings.

Backed by a 36 month warranty, the **DIRT DOCTOR™ JR.** is a workhorse designed to be used for years to come.

**DIRT MEDIC INFIELD GROOMER - FOR GARDEN TRACTORS & ATVs**

The **Dirt Medic** infield groomer specifically designed for use with garden tractors, light utility vehicles and ATV's to fill and level Little League to High School infields. With the durability of larger units, the **Dirt Medic** weighs only 200 pounds and has a 4' wide grooming path with 10" pneumatic wheels for easy transport. A single hand crank adjusts both the angle and depth of the harrow teeth and reversible cutting bar from the driver's seat without the need of tools or electrical connections. The broom kit creates a smooth, finished surface. **Dirt Medic** is backed by a 36-month warranty.

# BEAM CLAY®

Synthetic/Artificial Turf Groomers - Go Groomer Go

## Go Groomer Go™

### About the Go Groomer Go™

The **Go Groomer Go™** is the only synthetic turf maintenance equipment that features four light synthetic straight-line brushes and a single row of spring loaded grooming tines which are used as needed and designed to rejuvenate a turf's rubber, rubber sand or silica infill and playing surface.

Designed and engineered to avoid being overly aggressive when grooming Soccer, Football, Baseball, Lacrosse, Rugby, Field Hockey and many other synthetic turf fields and surfaces - both indoor and outdoor!

With over 20 years of industry experience, the **Go Groomer Go™** synthetic turf groomer along with the **G30 Inline Safety Magnet**, our synthetic turf magnet, improve the quality and safety of a playing surface while decreasing maintenance and lowering risk management.

### Why the Go Groomer Go™

- Extends Playability and Decreases Maintenance
- Spring Loaded Tines Elevate Infill Compaction
- Prevents Rubber Granules From Traveling to Sidelines
- Optional use of Spring Loaded Tines
- The Only Synthetic Turf Maintenance Equipment Needed for Proper Grooming
- Lowers Risk Management
- Decreases Wear Patterns
- Increases Eye Appeal
- Improves the Playing Field
- Helps Level Rubber Granule Infill
- Keeps Grass Blades at 12:00
- Repairs Ghost Markings
- Maximize Fiber Lifespan

### Features unique to the Go Groomer Go™

- Easy Storage
- Never-Flat Airless Tires
- Adjustable Pin Settings
- Multiple Brush Settings
- Hardened Steel Construction
- Patented Design Pd
- Optional Use of Spring Loaded Tines
- Expandable Width
- Multiple Tine Setting
- Inline Safety Magnet can be used while grooming
- No Expensive, Greasy or Oily Motors
- Welded Frame
- Tow Hitch Fits All Vehicles
- Reversible Tow Hitch
- No Wiring
- Soft Extra Long Bristles
- Rooster Tail Broadcasting of Rubber Granules
- Tines Operate Safely Between Brushes
- UV Resistant Brushes Never Rust or Rot
- No Expensive Hydraulic System

# G30 Inline Safety Magnet

Even the best maintained synthetic fields have potential dangers from unwanted foreign debris hidden within the surface infill. While the **Go Groomer Go™** properly grooms a synthetic turf field, the **G30 Inline Safety Magnet** goes the extra step to insure that hidden dangers, which are unseen by the naked eye, are properly removed. Best of all, the Inline Safety Magnet is compatible with all 3 **Go Groomer Go™** models and can be used while simultaneously grooming a synthetic field.

With the **G30 Inline Safety Magnet**, risk management is drastically lowered by improving the safety of the playing surface for those who utilize the synthetic turf facility.

\$375

Debris picked up by the Inline Safety Magnet on a high school's multipurpose synthetic field

Debris picked up by the Inline Safety Magnet on a university's soccer stadium field

Debris is easily and safely removed from the **G30 Inline Safety Magnet**

The **G30 Inline Safety Magnet** is not only a synthetic turf magnet, it is also the magnet you can't afford not to have. Time and time again the results of using the **G30 Inline Safety Magnet** on a synthetic turf field are astonishing. Some of the items picked up by the magnet are small but numerous such as hair pins and bobby pins. However, other items, which are much more dangerous are screws, nails, bolts, wires, earrings and other sharp, skin piercing objects (some of which are rusted). These items easily find their way onto the playing surface and into the synthetic infill but are just as easily removed by the **G30 Inline Safety Magnet**. Removing such items will drastically decrease the unlimited potential dangers and liabilities that could ensue as a result of an injury.

Every Synthetic Surface  
deserves a

**MIDWEST™ ROLLER SQUEEGEES**

**ROLLER SQUEEGEE** - Called "The best roller squeegees on the market" by our customers, these roller squeegees are built to outlast and outperform other brands. These squeegees are excellent for rolling water off floors, pavement, ballfields, tennis courts and golf greens. The heavy-duty aluminum frame construction and stainless steel axles ensure the roller stays secure. Two roller styles are available: Non-Absorbent—excellent for infields and turf because it pushes the water; and PVA Absorbent—made of superior high-tech polymer designed to soak up incredible amounts of liquid off hard surfaces. Rollers are easily replaceable and interchangeable.

**MIDWEST™ SQUEEGEES****A. General Purpose Squeegee**

The best on the market. Made with an extra-wide reversible neoprene rubber blade for long-lasting use. Available in 24" and 36" widths, this super flexible squeegee is excellent for pushing and pulling liquids off hard surfaces. Comes with a 66" powder-coated aluminum handle and wrap-around braces. Because the head bolts do not penetrate the rubber, the blade on this squeegee is easily reversible and replaceable.

**76924** 24" Wide Blade, 5 lbs.  
**76936** 36" Wide Blade, 6 lbs.

**\$88.95**  
**\$100.95**

**B. Straight Blade Squeegee**

A rugged squeegee, excellent for removing heavier liquids such as mud. The neoprene blade is stiffer than that used on the General Purpose Squeegee, so it scrapes as well as squeegees. Comes with a 66" powder-coated aluminum handle and wrap-around braces for maximum strength. The double-edge design doubles the life of the blade.

**75936** 36" Wide Blade, 6 lbs.

**\$94.95**

**BROOMS & BRUSHES**

**7' WIDE MONSTER BROOM** - Drag it on the infield, golf green, tennis or bocce court, push it on the warehouse floor. This broom is powerful and has amazing versatility. Made with heavy-duty aluminum construction. Available with two or three rows of 4-1/2" bristles. Bristles are removable for easy replacement or for adjusting the broom's stiffness.

**#82084** Monster Drag Broom (Two-Row Bristles)

**\$260.95**

**#83084** Monster Drag Broom (Three-Row Bristles)

**\$295.95**

**#SP50067** 7' Replacement Bristles (One Row)

**\$51.95**

**DOUBLE PLAY MONSTER BROOM** - Identical to the two-row Monster Broom, the Double Play Monster Broom comes with an aggressive scarifying edge for breaking up packed soils.

**#82384** 84" Double Play Scarifier Monster Broom (Two-Row Bristles)

**\$333.95**

**#SP50067** 7' Replacement Bristles (One Row)

**\$51.95**

**MAXIMUM-DUTY BROOM** - Made from the same heavy-duty extrusion as our 7' Monster Broom, this broom is one of the heaviest built brooms on the market. By flipping the broom over, you have a scraping edge for breaking up packed dirt. The 28" head is available with two-row or three-row bristles. Available with the innovative 60" bent powder-coated aluminum handle, excellent for eliminating back strain. Bristles are removable for easy replacement or for adjusting the broom's stiffness.

**#82928** 28" Maximum-Duty Broom (Two-Row Bristles)

**\$107.95**

**#83928** 28" Maximum-Duty Broom (Three-Row Bristles)

**\$120.95**

**#SP50068** 28" Replacement Bristles (One Row)

**\$15.95**

**DOUBLE PLAY SCARIFIER BROOM** - Developed in cooperation with Floyd Perry, award-winning sports turf expert. An aggressive scarifying edge makes this perfect for breaking up packed soils. Excellent for infield dressing!

**#82328** 28" Double Play Scarifier Broom (Two-Row Bristles)

**\$153.95**

**#SP50068** 28" Replacement Bristles (One Row)

**\$15.95**

**MIDWEST BROOMS & BRUSHES**

**24" GENERAL-PURPOSE BROOM** - This 24" general-purpose broom is an excellent choice for the garage or shop, and is also used for base path and infield dressing. Professional grounds keepers flip the broom over for a final dressing of base paths. Available with either a 60" ergonomic bent powder-coated aluminum handle or a 60" straight powder-coated aluminum handle.

- #82924 24" General-Purpose Broom, Bent Handle \$78.95
- #82925 24" General-Purpose Broom, Straight Handle \$78.95

**JET BLAST WATER BROOM** - This heavy-duty, yet lightweight innovative aluminum tool does an excellent job of washing away dirt and grime. Hook it up to a water hose and watch it blast away dirt. The 32" head is fitted with eight high-pressure nozzles, while the 48" head has 12 nozzles. Comes complete with high-quality garden hose nozzle for easy operation. Intended for use with normal water pressure, not for use with high-pressure water systems.

- #46032 32" Water Broom (8 nozzles) \$301.95
- #46048 48" Water Broom (12 nozzles) \$343.95
