**Bulk Availability Nationwide**

#### Description:

A vitrified clay (expanded shale and clay) product applied to skinned areas of baseball and softball fields. Diamond Pro® fires its vitrified clay conditioners in a rotary kiln at over 2000° F to produce a premium ceramic substance. Our **Gray Infield Conditioner** gives your field a darker appearance.

#### Benefits:

- Improves safety
- Reduces rain delays
- Reduces compaction
- Incorporates well into an infield
- Helps prevent rain-outs
- Improves drainage
- Controls moisture
- Will not compress or stick to cleats
- Gives a richly-colored professional quality field

#### Recommended Use:

- Baseball
- Softball
- Parks & recreation
- Youth Leagues

#### Availability & Specifications :

- Bulk Delivery (10, 15 & 24 tons)
- 50 lb. Bags / 40 bags per pallet
